## ABOUT THIS ARTWORK

This artwork was painted by **EARS** on 8 September 2018 at EATS | BEATS | STREET an event presented by [Kensington Street](#) and [Sydney Fringe Festival](#) celebrating Sydney's established and emerging artistic talent. Artwork size 91cm x 150cm.

Daniel O'Toole also known as EARS, for his public murals and unique style of street art, continues to explore the correlation between painting and video, while pursuing a studio practice at 'Higher ground Studio' located in Sydney's inner west.

In recent years, his projects have taken him around the world - from the Gobi desert making super 8 films, to an artist residency in Berlin and earlier this year to Japan, to shoot a film clip at Shibuya's famous scramble crossing.
